Requests are dependent upon meeting the criteria for assistance. Kev's Kids is considered a provider of last resort and attempts to provide assistance when no other resources are available.

CFGP created Kev's Kids to help needy children in Grande Prairie and area who "fall between the cracks".

- 100% of all contributions go back into the community and any administration costs are covered by ROCK 97.7.
- Kev's Kids is governed by a Board of Directors made up of ROCK 97.7 employees and community members.
- We are a registered charity (# 83973 3672) and will supply a tax receipt for all applicable donations.

Kev's Kids was started June 3, 2002 and incorporated on May 13, 2005, when a need was identified by members of our community, which included the manager of our radio station and the United Way. The need was exclusive to "kids who fall between the cracks" in obtaining much needed help that was not addressed by any other agencies or health care.

Kev's Kids is governed by a volunteer Board of Directors with members consisting of ROCK 97.7 staff and members at large from the community. The organization was named after our morning show host Kevin Albers who campaigns the cause during his show. The tremendous response from the community has supported the real need that is out there for kids and their families who need that additional "hands up".

Kev's Kids has raised over **ONE MILLION DOLLARS**, all thanks to the support of the community!

**Eligibility:** The need is exclusive to “kids who fall between the cracks” in obtaining much needed help that are not addressed by any other agencies or health care services. Not-for-profit groups/services, that work with local children, are eligible for Kev’s Kids assistance in the areas of programs or equipment that will improve the social, health or educational welfare of the youth living in the conventional broadcast area of ROCK 97.7.
